# A **Global Leader** in **Innovative Steel Buildings Products** and **Systems**

NS BlueScope Lysaght Malaysia comes under the umbrella of BlueScope Steel Limited Australia, a company with a solid track record in the global steel industry for more than 135 years, it is one of the world's most dynamic and largest steel solution provider and rollformer with more than 21,000 employees in 17 countries and over 100 manufacturing facilities worldwide.

As the first rollformer in Malaysia with an enhanced service-based and total solution philosophy, Lysaght's strength lies in the Australia technology, innovation and expertise and serving the demands of the ever evolving style and design needs of the Malaysian construction sector.

We pioneer Asian development with 50 years of expertise in industrial, commercial, residential, infrastructure and institution. Building thousands of Iconic Landmarks across Asia metropolitans.

# Our Bond

**Our fundamental beliefs are our guiding principles.**

## Our Customers are Our Partners

Our success depends on our customers and our suppliers choosing us. Our strength lies in working closely with them to create value and trust, together with superior products, service and ideas.

## Our People are Our Strength

Our success comes from our people. We work in a safe and satisfying environment. We choose to treat each other with trust and respect and maintain a healthy balance between work and family life. Our experience, teamwork and ability to deliver steel inspired solutions are our most valued and rewarded strengths.

## Our Shareholders are Our Foundations

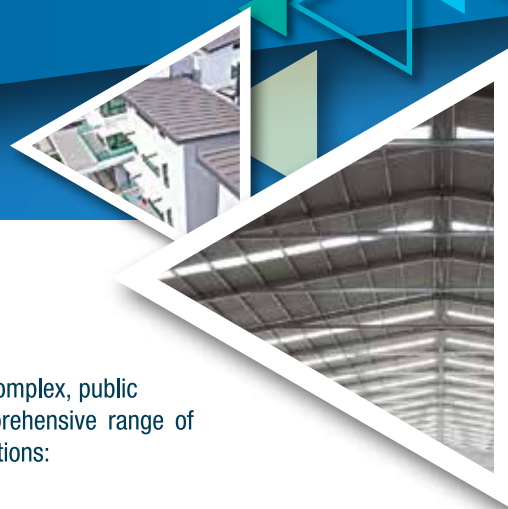

Our success is made possible by the shareholders who choose to invest in us. In return, we commit to continue profitability and growth in value which together makes us stronger.

## Our Communities are Our Homes

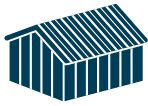

Our success relies on communities supporting our business and products. In turn, as part of BlueScope, we care for the environment, create wealth, respect local values and encourage involvement. Our strength is in choosing to do what is right.

# Our Product Portfolio

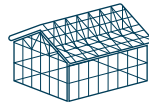

From the smallest residential project to the largest industrial complex, public building or sports facility, you can count on LYSAGHT® comprehensive range of building products designed to provide clever, cost effective solutions:

Roofing & Walling

Decking

Truss & Frame

Sheds

From the straightforward seamless wall panels to extreme roofing lengths and curves, our comprehensive range of roofing and walling products meet the requirements of most architecturally demanding structures, without compromising on strength, flexibility or aesthetics.

Light-weight, durable, requires zero or low - maintenance, environmental friendly, provide substantial noise and thermal reduction, Lysaght's roofing and walling products are aesthetically pleasing in appearance, are ideal where a modern and contemporary appearance is required.

The LYSAGHT® Mobile Roll Forming Solution is a quickly relocatable mobile roll former crewed by specialists with extensive, practical roofing experience. This is a solution which not only overcomes the logistical challenges of long length roofing, but also provides architects and engineers with new design options to create sweeping, unbroken rooflines which are attractive as well as practical.

# Our People and Value-Added Services

In addition to the manufacture and supply, NS BlueScope Lysaght also provides the following value added customized, total peace of mind solutions:

- Total Roofing Solution with tested acoustic performance
- Construction service for Supply and Installation of our roofing system
- Engineering advisory on product application and design

At Lysaght we value knowledge, experience and a commitment to customer service - not just to take your order but to advise on alternatives, not just to manufacture your needs but to arrange delivery when and where you require.

Where more complicated challenges are involved, Lysaght specialists are available to assist customers with specific project elements to maximize construction efficiency by providing technical advisory and advanced prototyping service to resolve roofing challenges.

The accumulated knowledge and expertise of our people is available freely, even when we can't meet you face to face.

- Call 1700 81 8688 and you'll be in touch with our experienced team of steel building product specialists.
- Information is also readily available on our website and free mobile app, as and when you need it.

# Safety

At NS BlueScope Lysaght, we aspire to achieve “ZERO HARM” to people.

Our fundamental belief is that all injuries can be prevented. Responsibility starts with each one of us. As such we will consult with our employees and relevant stakeholders in decisions that affect the health and safety aspects of our workplaces, products and services.

Our safety beliefs form the basis for achieving our goal of “ZERO HARM”:

- Working safely is a condition of employment.
- Employee involvement is essential.
- Management is accountable for safety performance.
- All injuries can be prevented.
- Training employees to work safely is essential.
- All operating exposures can be safeguarded.

What is Behind Our

# Superior Product Quality and Unmatched Reputation ?

## Premium Material

We know the importance of the steel ingredient. Lysaght's roofing and walling products are manufactured using BlueScope's signature and premium steel products: Clean COLORBOND® steel and ZINCALUME® steel, while our roof truss system are manufactured using TRUECORE® steel.

## Proven and Tested Product Performance

All Lysaght products are tested and developed at BlueScope Technology Centre in Chester Hill, Australia. This independent testing facility is accredited internationally by the National Association of Testing Authorities (NATA) and the Commonwealth Scientific and Industrial Research Organization (CSIRO) in Australia.

## Comprehensive Warranties:

We stand behind our products and back them with the strong warranties, providing peace of mind to our customers.

Our stringent standard and testing ensure that Lysaght Brand is a guarantee of quality. As a result, NS BlueScope Lysaght offers a full range of warranties for our products to provide our customer a complete peace of mind:

- Material Warranty\* which covers corrosion, paint fading and dirt staining.
- Product Warranty\* which guarantees the material performance of all products and systems.
- Workmanship Warranty\* covering all aspects of installation work carried out by BlueScope Lysaght under the Supply & Install Contracts.

\* Warranty Terms & Condition apply
